“
**Multi V Annual Maintenance Contract
 For Your Company!**
 ”

AMC
 Includes all technical support, spares, consumables like refrigerant. also it covers the scheduled maintenance services & attending to all break down calls.
 - Check : 4 times/year
 - Cleaning : 2 times/year

Premium AMC A
 Combines the AMC with BECON cloud

AMC contract + BECON cloud

BECON cloud (TMS)
 BECON cloud is able to monitor in real time, so it is easy to prevent malfunctions and offers optimal management solutions.

Premium AMC B
 Combines not only the AMC contract with BECON cloud, but also Air purification Kit/ Careship.

AMC contract + BECON cloud + Air purification Kit Air purification Careship

Air purification Kit
 Air purification Kit can remove dust and odor with 5-phase Air purification.

Air purification Careship
 Air purification Careship is a maintenance service that maximizes the Air purification efficiency.
