## IS IT A TV? OR SOMETHING BETTER?

Discover a TV that can deliver you entertainment like you want it, and so much more. Get superior picture quality with the LED display technology from LG. Even better, with almost unlimited entertainment options and apps from LG Smart TV you get all you can handle and then some—instantly.

A revolutionary, easy way to access virtually limitless content, thousands of movies, customizable apps, videos and browse the web all organized in a simple to use interface.

LG's LED technology provides a slim profile and delivers amazing brightness, clarity and color detail, as well as greater energy efficiency compared to conventional LCD TVs.

Getting your LG TV connected to online content is easy when you are Wi-Fi<sup>™</sup> Ready. If you have existing wireless broadband, setting it up is simple and you don't need to worry about messy wires.
