Slim SpacePlus™ Ice System

It's great having an ice maker, but not if it means you can't fit all of your food in the fridge or freezer. The Slim SpacePlus™ ice system frees up additional shelf space and additional door space.

MORE USABLE SPACE, MORE ORGANIZATION.

This is an extra-large powerhouse of a refrigerator with nearly 28 cubic feet of space, double freezer drawers and ultra-accommodating, extra tall ice- and water-dispenser. This is a refrigerator designed to make your life easier — now that's something better.

Tall Ice & Water Dispensing System

From pitchers to pint glasses: finally a water dispenser that can accommodate just about all. The water- and ice-dispenser in this LG refrigerator is one of the tallest around, measuring in at an ultra-accommodating 13 inches.

10-Year Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor uses fewer moving parts and operates more efficiently, LG confidently backs the compressor with a 10-year warranty.
