

## AIR CONDITIONER

# LW1811ER

Window  
Air Conditioner

### HIGHLIGHTS

3 Cooling & Fan Speeds with Auto Cool  
Power Failure Auto Restart  
Electronic Touch Controls with Remote

### PERFORMANCE

- 17,500/18,000 BTU
- Cooling EER (BTU/Watts) 10.7/10.7
- Dehumidification (Pts/Hr) 4.5
- Est. Cooling Area 1000 sq. ft.

### FEATURES

- 3 Cooling & Fan Speeds with Auto Cool
- Power Failure Auto Restart
- Remote Control
- Timer 12 Hr. On/Off

## EFFICIENCY, MEET INNOVATION

Cooling a big room doesn't always have to cost you big bucks. It's all about efficiency. Our 18,000 BTU unit can cool a large room up to 1000 square feet without breaking the bank. And once power is restored after storms, wind or heat knocks out your power, the Auto Restart will automatically turn the unit back on – so you don't have to.

#### 3 Cooling & Fan Speeds with Auto Cool

Three powerful cooling and fan speeds allow you to control the temperature of your room at your pace.

#### Power Failure Auto Restart

Living isn't always easy in the summer. There are storms, high winds and extreme heat that can lead to power outages. Keep yourself covered with Auto Restart, which automatically turns the unit back on when power is restored.

#### Electronic Touch Controls with Remote

Control the temperature of your room with just a push of a button. Our stylish remote control is easy to use and allows you to cool down from across the room.
