- Electronic Temperature Controls
- IcePlus™ Accelerated Freezing Function
- Door Alarm
- LoDecibel™ Quiet Operation with Linear Compressor

Slim SpacePlus™ Ice System

It's great having an ice maker, but not if it means you can't fit all of your food in the fridge or freezer. The Slim SpacePlus™ ice system frees up additional shelf space and additional door space.

BIG & BEAUTIFUL

It's not too much to ask for a stylish refrigerator that delivers more space, more convenience and more reliability. You just need to ask for this one. With nearly 25 cu. ft., this 33" wide refrigerator has the largest capacity in the market. And, when you have innovative features like a taller, more space efficient ice & water dispenser, along with the comfort of a 10-year warranty on linear compressor, you have a refrigerator with a lot to like.

10-Year Warranty on Linear Compressor

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor uses fewer moving parts and operates more efficiently, LG confidently backs the compressor with a 10-year warranty.

Tall Ice & Water Dispensing System

From pitchers to pint glasses: finally a water dispenser that can accommodate just about all. The water- and ice-dispenser in this LG refrigerator is one of the tallest around, measuring in at an ultra-accommodating 13 inches.
