Bluetooth® Streaming

Enjoy your favourite music on mobile devices through the mini system with wireless audio streaming via Bluetooth® technology.

iPhone® and iPod® support via USB

Enjoy and control your own music collection on your iPhone and iPod in rich LG sound via a simple USB connection while recharging your device.

Sound Sync Wireless (LG TV)

Boost your TV Sound! Connect the LG Mini System to your LG Smart TV wirelessly via Bluetooth®.

Music Flow Bluetooth® Smartphone App

Take control of your Extreme Party Hi-Fi Mini System. Download 'Music Flow Bluetooth®' and control volume, input, effects, scratching and song selection from your smartphone.

Multi-Bluetooth (Up to 3 devices simultaneously)

Pair up to 3 devices simultaneously (including phones, tablets or PCs). So friends can play their music one-after the other, without going through the disconnecting or connecting process.
