- ✓ Easy Pocket Handle
- ✓ 4 x Tempered Glass Refrigerator Shelves
- ✓ LED Lighting
- ✓ R600a Refrigerant
- ✓ Inverter Linear Compressor
- ✓ BioShield
- ✓ 2 Star Energy Rating

Inverter Linear Compressor

LG's **Inverter Linear Compressor** offers greater control of energy consumption, with less vibration and less noise than a conventional compressor system.

LG's **10 Year Parts Warranty** - as this is the heart of your refrigerator we back this with a 10 year parts warranty on the compressor cooled refrigeration system (compressor, evaporator, dryer and tubing) parts only + 5 years on compressor (part only)

No Plumbing Required

LG's **Non Plumbing Ice & Water** - Now you can enjoy the convenience of having an ice & water dispenser on the door without the need to have the refrigerator connected to your water supply. Inside the refrigerator door is a water canister which can be removed for easy filling.

Moisture Balance Crisper

LG's **Moisture Balance Crisper** maintains the moisture balance in the crisper. The lid of the crisper has a lattice structure that retains evaporated moisture from fruit and vegetables, to help keep them fresher for longer.
