

5000W Hi-Fi Entertainment System

CK99

Product Sheet

Bluetooth Music Streaming / Bluetooth Multipoint

Use Bluetooth® audio streaming to listen to music and online music streaming services via your compatible mobile device. Pair up to three devices simultaneously* (including phones, tablets or PCs). So friends can play their music one after the other, without going through the disconnecting or connecting process.*

**Music Flow Bluetooth® App required. (minimum Android version 4.0.3).*

USB Music Playback

Playback your MP3 and WMA audio files via the USB 2.0 input.

LED Speaker Lighting

Liven up the party with a multitude of colours blasting from your speakers!

Control with your LG TV Remote

Mute and control the volume with your LG TV remote control.
