Overview

Secure all loose items, the CJ98 with 3500W of Total RMS Power is here! With dual 10" bass woofers for incredibly powerful bass and 6 mid-range and treble speakers - we're giving you so much volume at your fingertips! Ignite your audience by peppering songs with professional sound effects ranging from scratching, lasers, pulsing and countdowns. These speakers have built-in Multi-Coloured LED Lights that pulse to the beat and allow you to visually experience the music. The CJ98 has the features to turn your house party into a memorable event!

Total Power and Speakers

- 3500W RMS Power
- 8 Speakers
- 2.2 channels
- Unleash your inner DJ with this extreme party machine.
- Feel the beat with intense, powerful sounds

Multi-coloured LED Lighting

Liven up the party with a multitude of colours blasting from your speakers! Including Fireworks, City Glow, Water and Party mode.

DJ and Karaoke features

Get the crowd going with your own creation with sound effects from turntable scratch, Flanging, Phasing and much more or use the Vocal Effects for Karaoke. You can also record your own voice and mix into the song as you like.

Bluetooth Music Streaming/Bluetooth® Multipoint

Use Bluetooth® audio streaming to listen to music and online music streaming services via your mobile device.

Pair up to three devices simultaneously (including phones, tablets or PCs). So friends can play their music one after the other, without going through the disconnecting or connecting process.

*Music Flow Bluetooth® App required. (minimum Android version 4.0.3).
