MS4266OBS

42L Smart Inverter Microwave Oven with Sensor Cook and Dial Control

Available September 2016

Features

- ✓ **Precise Control**
- ✓ **Even Defrosting**
- ✓ **Anti-Bacterial Coating**
- ✓ **Stable Turntable**
- ✓ 42L Overall Volume
- ✓ 1200W Inverter Microwave
- ✓ 360mm Turntable
- ✓ Sensor Cook
- ✓ 28 Auto Cook Menus
- ✓ Quick Start
- ✓ Child Lock

Precise Control

Unlike LG conventional microwave ovens that use an on/off power delivery method, LG inverter technology provides the flexibility to select the power level at the start of the cooking process and varies the power delivered during cooking.

Even Defrosting

The inverter technology in the LG NeoChef™ enables more precise temperature control to help defrost foods and avoid overcooked and unthawed areas.

Anti-Bacterial Coating

The Anti-Bacterial EasyClean™ interior coating makes cleaning simple and convenient. Just a few wipes are all it takes to clean the microwave interior. The coating eliminates 99.99%¹ of harmful bacteria from the surface.

Stable Turntable

The hexagonal ring stabilises the turntable with six support points, which helps prevent off-centre items from tipping and spilling during cooking.

¹ Tested by SGS
