

38BR85QC-W UltraWide Curved Monitor

▶ 38BR85QC-W

38" Class

FEATURES

EXPANSIVE SCREEN WITH CLEAR VISUALS

The 37.5-inch UltraWide™, 38BR85QC with the VESA Display HDR™ 600 display delivers a dynamic visual experience for users in lifelike brightness and a DCI-P3 98% color gamut, making it suitable for creative content editing. Additionally, PBP/PIP capabilities enable screen segmentation, while its built-in Dual Controller and KVM allow users to control multiple computers from a single set of keyboard and mouse for a more flexible workstation, for anyone in need of multitasking capabilities.

STREAMLINED CABLING TO WORK EFFICIENTLY

With single USB Type-C™ cable¹ connectivity, the 38BR85QC supports up to 90W of laptop charging while simultaneously transferring data, and can be connected to a variety of devices² to free up desk space at work, making it the ultimate hub for working efficiently.

COMFORTABLE WORKSTATION

The 38BR85QC-W features custom tilt, height, and swivel adjustments to optimize screen positioning and provide a comfortable workstation environment for those who spend many hours focused on the screen. Its integrated speaker system and headphone jack allow for video conferencing without the need for additional devices to further improve efficiency.

¹The cables included in the package are HDMI, USB-C, USB A-B, HDMI and DP.

²The connection or transmission may be limited depending on the specifications or programs of the connected device.
