**Ships with IGEL operating system (free trial)**

### Efficient Work Environment

Work comfortably with an IPS display for eye comfort and with clear images at any angle. Also, increase your productivity with a more spacious workspace. Enjoy a clean setup with fewer cables and wires, and convenient stand that adjusts to your height, and a monitor that tilts all for your comfort. Feel free to adjust, swivel, and pivot to make your space help you be more productive at work.

### Improved Performance

Work faster than ever with an advanced Quad-core Processor (Intel® Celeron J4105) and powerful memory capacity. Stay productive with a multi-monitor set-up supporting up to 2 displays with 4K UHD resolution. Also, this all-in-one has a simplified, fanless design to ensure longer performance and fewer parts for maintenance.

### Seamless Connectivity

Host online meetings and video conferences with a built-in Full HD pop-up webcam and integrated speakers. The 27CN650N-6A conveniently has multiple connections for one USB Type-C™, two USB 2.0, and four USB 3.1 ports. Also, maximize productivity with Wi-Fi and Bluetooth wireless connections to work on VDIs in any environment.
