

 **Bluetooth®**

With one touch of the Fastap Keypad in your LG Swift you can simply Press-to-Experience™ your favorite Alltel services and phone features. The LG Swift provides instant access to games, GPS navigation, Alltel Axxess shop and everything personal to you like your e-mail, images, and even your phone's alarm clock. You can also send contacts, calendar events, pictures, and video via *Bluetooth* wireless technology. With external music controls for easy listening and the ability to create and manage your own playlists, you can be your own DJ. Now that's hip! The 1.3 MP camera and camcorder ensure you'll catch lots of memorable moments. The LG Swift takes speed and connectivity to a whole new level.
