

LG Nite™

Lightweight, compact and easy-to-use, LG Nite™ keeps you connected 24/7. In the morning, let your friends know what's on your schedule by sending calendar events and contact information via *Bluetooth®* wireless technology. In the middle of the day, use the VGA camera to snap a cute photo of your new puppy, then share it via picture messaging with the pet lovers in your family. Later in the afternoon, while out and about, enable the one-touch speakerphone during a call and keep right on moving. At the end of the day, record a voice memo with your shopping list for tomorrow's grocery run. Make life a breeze and keep time on your side with the fun and functional LG Nite.
