LG — Life's Good

MUZIQ™ by LG®

Bluetooth® Music Phone

Get in the groove with the new slim and stylish Muziq™ phone. With a dedicated music key and multitasking capability, you can run another application while you listen to music and continue to rock n' roll. Whatever you do, and wherever you go, stereo sound is at your fingertips with the built-in FM transmitter and Bluetooth connectivity. With the ability to take pictures or video, create ringtones with the music composer, or download full-length hit songs, this entertaining phone will be a big hit with you, your family, and your friends.
