

LG Lyric™

The new LG Lyric™ is a stylish and reliable phone, with a solid set of features...all for a price that will be music to your customers ears. The sporty design with textured backplate feels good in the hand and ensures a secure grip. With a single touch, switch to speakerphone and continue conversations—loud and clear. For entertainment, the LG Lyric boasts a 2.0 megapixel camera with camcorder and a music player. Other communication essentials include, text, picture, video messaging, IM, and Metro ChatLINK™ to easily connect with family and friends. Finally, rounding out the key features are Bluetooth® capability, and a microSD™ memory card. In short, the new LG Lyric is the ultimate companion for your value-focused customers.
