### **New to LG Channels Video-On-Demand**

**Jumanji** (1995) – Robin Williams and Kirsten Dunst star in this blockbuster hit and critical favorite that combines magical special effects with an entrancing mix of fantasy, adventure and comedy. Young Alan Parrish plays a game with his friend, Sarah, and on a roll of the dice is mysteriously transported into the strange jungle realm of Jumanji. There he remains trapped for 26 years, until two newly orphaned children, Judy (Dunst) and Peter (Bradley Pierce), playing in the attic of Alan's childhood home, free the now-adult Alan (Williams) from the game's clutches.

But to defeat Jumanji's encroaching powers, the three reluctant players must find the now-grown Sarah (Bonnie Hunt) and band together as a makeshift family to finish the game--before it finishes them.

**Ocean's Twelve** – It's been three years since Danny Ocean (George Clooney) and his crew - fronted by detail man Rusty Ryan (Brad Pitt), up-and-coming pickpocket Linus Caldwell (Matt Damon), explosives expert Basher Tarr (DON CHEADLE) and safecracker Frank Catton (BERNIE MAC) - pulled off one of the most audacious and lucrative heists in history, robbing ruthless entrepreneur Terry Benedict (ANDY GARCIA) of every dime stored in his impenetrable Las Vegas vault. After splitting the \$160 million take, each of the infamous Ocean's crew have tried to go straight, lay low and live a legit life, but when someone breaks Rule Number One and rats them out to Benedict, going straight is no longer an option. He wants his \$160 million back – with interest – or else.

**Ocean's Thirteen** – Danny Ocean (George Clooney) and the gang would have only one reason to pull off their most ambitious and riskiest casino heist - to defend one of their own. But they're going to need more than luck on their side to break "The Bank." Ruthless casino owner Willy Bank (Al Pacino) never imagined that the odds were against him when he double-crossed Danny Ocean's friend and mentor Reuben Tishkoff (Elliott Gould), putting the distraught Reuben in a hospital bed in critical condition. But Bank miscalculated...badly. He may have taken down one of the original Ocean's eleven, but he left the others standing and, worse for him, gave them a shared purpose: to take Bank down on the night of what should be his greatest triumph - the grand opening of his new casino, appropriately named The Bank. The plan is elaborate, dangerous and damn near impossible...but there are no limits when it comes to one of their own.
