LG K92 5G SMARTPHONE PACKS MUST-HAVE FEATURES INTO SLEEK DESIGN AT AN ATTRACTIVE PRICE

*Making 5G more accessible than ever,
LG K92 5G sacrifices little for customers to save a lot starting at \$359*

ENGLEWOOD CLIFFS, N.J., Oct. 29, 2020 — LG Electronics USA today announced the upcoming U.S. availability of the LG K92™ 5G, a value-priced smartphone that's loaded with many features customarily available only on today's higher-end, premium smartphones. With five cameras, an edge-to-edge vibrant display, powerful Qualcomm® Snapdragon™ 690 5G Mobile Platform, and large-capacity battery, the LG K92 5G is designed to bring the benefits of 5G to a larger audience at a suggested price starting at \$359.

Shutterbugs will appreciate LG K92 5G's quad rear-camera array that boasts flagship-quality photography capabilities. With a 64MP Standard lens, 5MP Ultra Wide-Angle lens, 2MP Macro lens, a 2MP Depth sensor, and a 16MP selfie camera, users will easily capture their most cherished memories from just about any angle.

Enjoy streaming video in 5G with LG K92 5G's 6.7 inch FHD+ FullVision™ display. Audiophiles will appreciate LG K92 5G's 3D Sound Engine and stereo speakers providing a fully immersive experience for videos, movies, games and more. With a 4,000mAh battery and support for Qualcomm® Quick Charge™ 4 technology, LG K92 5G is packed with the power to deliver reliable battery life on the go.

LG K92 5G will be available from AT&T, Cricket Wireless and UScellular shortly. Pricing, availability, and customer promotions will vary by network partner.
