She becomes even more overwhelmed with anxiety when, at her sister's wedding, she discovers that her family served as the inspiration for the book and film *The Graduate*. Sleepless in Seattle: Tom Hanks stars as Sam Baldwin, a depressed widower whose son calls a national radio talk show in hopes of finding a new mother and a new wife for his father. But she can't get Sam's voice out of her mind. As fate would have it, however, the two never can find a way to meet, even as both crisscross the country.
