LG OFFERS END-OF-SUMMER SAVINGS WITH LABOR DAY DEALS ON TOP-RATED APPLIANCES

*Save Money and Energy with ENERGY STAR Laundry, Dishwashers, Refrigerators;
Also Big Savings on Wall Ovens, Cooktops, Vacuums, and More*

ENGLEWOOD CLIFFS, N.J., Aug. 21, 2023 – ENERGY STAR® Partner of the Year LG Electronics USA is offering special end-of-summer savings on top-rated kitchen, laundry and cleaning appliances. During LG's 2023 [Labor Day promotion](#), shoppers can take advantage of some of the best deals of the year as they upgrade their homes with LG's latest home appliance innovations, while saving money and energy with ENERGY STAR.

Give the Grill a Break with a Power Pair

Save \$1,600 off of the MSRP when you combine the LG combination wall oven ([WCEP6427F](#)) with the gas cooktop ([LCG3011ST](#)) in a single purchase, plus receive an additional \$250 gift card if you purchase by Sept. 13. ¹ The LG combination double wall oven offers four ways to cook for the best results in record time. TurboCook™ speed oven on top gives you the speed of a microwave without sacrificing results, and you can also use it as a conventional microwave oven, while the bottom oven boasts True Convection™ for even crisping and perfect browning. You can even steam for a healthier option. No matter what you're making, the LG combi wall oven offers just the right cooking option for the best results the first time. Available in different configurations and finishes, shoppers can choose their favorite.

Maximize Entertaining Storage with LG Refrigerators

LG ENERGY STAR certified refrigerators are top rated for their performance and reliability², while not sacrificing energy efficiency or sleek design. Now through Aug. 23, you can save \$400 off MSRP on the Smart Mirror InstaView® Counter-Depth MAX™ French Door refrigerator

Life's Good.

[\(LRYKC2606\)](#) the industry's largest-capacity counter-depth fridge ³. The first refrigerator with four types of ice ⁴, including cubed, crushed, mini cubed and LG's exclusive slow-melting, round Craft Ice™. From craft cocktails⁵ to soft drinks to iced coffee, Craft Ice helps all kinds of beverages taste their best for longer. A generous supply of mini cubed ice is the perfect answer for filling water bottles or delivering a quick chill.

Cleaning the Dishes after the Party is a Breeze with LG Dishwashers

With the industry-leading one-hour wash and dry capability,⁶ the LG smart top-control dishwasher ([LDPH7972](#), [LDTH7972D](#)) lets you do dishes at the speed of life so you can conquer your daily chores in less time. LG's innovative QuadWash® Pro and Dynamic Heat Dry™ technologies combine to deliver maximum cleaning coverage and thorough drying performance for clean and dry dishes, faster than ever before. That means you can spend less time waiting on dishes and more time on what matters. TrueSteam® technology helps to penetrate food residue, reduce water spots and sanitize your dishes. These and other new LG dishwasher models this year earned the coveted ENERGY STAR "Most Efficient 2023" designation. According to the EPA, LG was the first ENERGY STAR Partner to certify models to the Version 7 dishwasher specification, models that also meet the new ENERGY STAR Most Efficient criteria.

Save on America's Top-Rated Washers ⁷

Bring home the new LG smart front-load washer and dryer pair ([WM6700HBA](#), [DLEX6700B/](#)[DLGX6701B](#)), designed to help consumers take back their day with steam refresh, built-in intelligence and Wi-Fi connectivity for on-the-go laundry access, with a savings of up to 25 percent off of MSRP on each unit. LG ENERGY STAR certified washers use about 20 percent less energy and 30 percent less water than conventional washers, according to the EPA.

Save up to \$500 off MSRP for LG STUDIO WashTower™ (models [SWWG50N3](#) and [SWWE50N3](#)), the unique vertical laundry solution that puts easy access, built-in intelligence and
