ENTERTAIN YOUR SENSES

ESTEEM™

"My day only goes as fast as my technology, and when you have a lifestyle like mine, every second counts. Personally my mobile device is more than just a professional tool, a right-hand man or a social network–it's all of the above, plus much more. That's why I always need to have the best of the best; it keeps me entertained, up to date, and on the go.

LG Esteem fits me like a well-tailored suit. It has the smokin' hot Android™ 2.3 platform and a 1GHz processor for the highest caliber of usability. It pumps out high-definition entertainment that I can share a variety of ways, features HD streaming, has a music player, and even face-to-face chat with the front facing camera! Needless to say, it completes my life in a multitude of ways."

Mighty Multitasker

LG Esteem packs a serious punch when it comes to speed and processing thanks to its robust formula of 4G LTE Connectivity, a 1GHz Snapdragon™ Processor, Android™ 2.3 Platform, and the LG User Interface.

Complete High-Def Experience

With the combination of HD Video Streaming, HD Recording and Playback, entertainment-on-the-go has never been more vivid or exciting.

The Big Picture

Share HD with friends and family by sending content to a larger screen via SmartShare (Media Sharing by DLNA®) or with HDMI® Support.*

*HDMI cable not included.

Up Close and Personal

Have face-to-face conversations with friends and family, no matter the distance between you with Google Talk video chat through the front facing camera.
