STUNNING PICTURE QUALITY

LG's LN5200 delivers stunning picture quality. With LED backlighting you get amazing brightness, clarity and color detail. And Full HD 1080p has almost double the pixel resolution of standard HD so you see detail like never before.

LED BACKLIGHTING 

You won't believe your eyes. LG's LED technology delivers amazing brightness, clarity and color detail.

FULL HD 1080P

This stunning picture is the reason you wanted HDTV in the first place. With almost double the pixel resolution, Full HD 1080p gives it superior picture quality over standard HDTV. You'll see details and colors like never before.

RESOLUTION UPSCALER

Helps enhance the resolution of original content to a higher resolution for a clearer picture that delivers a great viewing experience.
